

**STATEMENT OF CANDIDATE FOR
BOARD MEMBER
EMPIRE UNION SCHOOL DISTRICT**

DOUGLAS BENTLEY
Occupation: Educator

Education and Qualifications:

Just like you, I am concerned about the future of our children and the condition of the schools in our community. As a former teacher for over twelve years in the Empire School District, and a parent of a child soon to be starting school in the district, I want to see the best education available for our students. I also want to see a content staff on all levels in the district. The best way I know how to do this is to be involved. The best way to be involved is to take action. I have been given the time to take this opportunity to invest in the future of our children, and will do my best to help make the right decisions on their behalf.
