

**STATEMENT OF CANDIDATE FOR  
BOARD MEMBER  
NEWMAN-CROWS LANDING UNIFIED SCHOOL DISTRICT**

**PAUL WALLACE**

**Age: 42**

**Occupation:** Businessman/Planning Commissioner

**Education and Qualifications:**

After several years serving the City of Newman as Planning Commissioner, I am seeking further responsibility as an elected official. I look forward to representing our whole community including Crows Landing and Diablo Grande.

My wife Cathy and I own GbarN Veterinary Clinic, where we have served this community for 11 years.

Our daughter Molly, has attended Von Renner Elementary, and started at Yolo Middle School this year.

I received my Bachelor's degree (Agricultural Science and Management) from UC Davis, and my Master's degree (Plant Science) from CSUFresno.

My work has provided both financial and personnel experience. I have worked as a Pest Control Advisor for a farm, as CFO for a video production company, and Hospital Administrator for our veterinary clinic.

I have served the District as Site-Council Secretary, a School-Design Committee member, a Bond-Oversight Committee member, and a FFA volunteer. This service has educated me about many district functions.

I look forward to balancing the district's responsibility to provide our students great teachers, facilities and programs with limited financial resources.

I intend to bring a collaborative spirit to our School Board.
